

Dear Parishioner

The following message is from Councillor Mike Harrison, Chairman of Boddington Parish Council -

I am sure you are aware of the current health emergency in the UK and the advice given by the UK government that the over 70s, pregnant women and those with underlying health conditions should self-isolate. This self-isolation could last for a quite some time.

Boddington Parish councillors appreciate that this may present difficulties for some residents, and we would like to help coordinate support should it be needed. To this end, we would ask the following:

If you are not in one of the "vulnerable" categories, and would like to volunteer to help, please contact me on email address – m.harrison@boddingtonparishcouncil.org.uk

If you are in one of the "vulnerable" categories and would like some help, or think you may need some help in the future, please get in touch with me either by email or on my mobile phone 07586358500

This help could include

1. help with the shopping
2. a friendly phone call
3. help with urgent supplies
4. posting mail

If you have any other concerns that you feel the Boddington Parish Council may be able to address, please get in touch with me.

Councillor Mike Harrison

Chairman

Boddington Parish Council
